

liquidlogic™

length: **14'** | width: **23.5"** | cockpit size: **21" x 35"** | bow/stern storage: **3234 in³/5775 in³** | capacity: **375 lbs.** | weight: **55 lbs.**

The Pisgah's classic "Shallow V" hull design provides superior stability along with great tracking and speed. Boosting the quietest hull in its class the Pisgah is perfect on peaceful lakes and rivers while its progressive bow to stern rocker provides true seaworthy performance. Pisgah's generous volume provides a dry ride for day trips and the occasional expedition.
